

Predictive Analytics for selecting, developing, leading and engaging talent

# Succession Planning Solutions

## Talent & Readiness drives business results

The Harrison Talent Readiness System enables you to fully engage your employees through integrated career and succession planning while simultaneously providing comprehensive decision analytics to manage your qualified talent pools.

## Career Planning

Employees access a personal career planning portal that ranks internal jobs according to their likely enjoyment and engagement preferences. In addition, employees can view reports related to their strengths and areas to develop.

## Talent Pool Analytics

Management accesses up-to-date talent pipelines that rank high potentials according to their qualifications and behavioral competencies and suitability related to job opportunities.

# Succession Planning

## Talent Readiness System Features & Benefits

Employees are offered an easy way to pursue a career path within the company based on their specific preferences.

Fully automated system facilitates efficient review of talent pipeline decision analytics.

Complete view of performance, education, skills and behavioral competencies related to specific job fit.

Paradox reports identify development areas related to behavioral traits and competencies.

Cost-effectively applied across the organization, increasing talent readiness for all levels.

Employees benefit from having involvement in their career planning process and access to personalized development reports.

Management accesses a Talent Readiness Dashboard that objectively ranks employees for positions according to job specific qualifications and behavioral competencies, as well as current job performance. Talent pools are kept up-to-date by employees and Human Resources only needs to access the current talent pipeline for any position.

## Harrison Talent Life Cycle Solutions

This powerful self-knowledge improves relationships and performance. Effective talent development facilitates strong relationships among employees, managers, coaches and teams. Harrison provides employers the comprehensive intelligence and data necessary to build these relationships, resulting in accelerated employee development, and increased employee engagement and retention.
